Select this page from visible config if You want to show delivery time in order view for customer.

Order create admin (Sales → Orders → Create New Order)

New column added to order create page after selected this option from configuration.

IV Dev notes

1) Elasticsearch

Sort option works for Magento version 2.3.* with disabled Elasticsearch.
Sort option not available for Magento version 2.4.*.

2) Theme

Due to override templates from default Magento Theme Luma, this extension may not working properly with external themes.

3) Log files

Errors are logged in *var/log/greenrivers/delivery_time.log* file.
